EDUCATION

Bachelor Degree in Software Engineering (2024)

Zambia University College of Technology (ZUT)

Currently doing Cisco Packet Tracer (2023)

Cisco Networking Academy

Certification in DevNet Associate (2024)

SORACRET

Grade twelve Certificate (2018)

Masala Secondary School

Grade nine Certificate (2015)

Lubuto Primary School

Grade nine Certificate (2013)

Lubuto Basic School

SKILLS

- Cisco Networking
- Cloud Computing
- Web Design
- Graphics Designs
- App Development
- Database Administration with MySQL
- **Language:** PHP,C++,Typescript and Java
- **Font-End:** Html, CSS, JAVASCRIPT, Bootstrap,React, vue, vite, TailwindCSS,
- **Backend:** PHP and PHP Laravel,NestJS,
- **Tools:** GitHub, Git, IntelliJ Idea, Vscode, Adobe suits, Android Studio and Figma
- Spring Boot - Fullstack Application Development
- Content Management
- Microsoft Office
- Communication skills
- Research Skills
- Team Work
- Technical Support
- Team Viewer for remote administration

COURSES COVERED

- Software Engineering Foundations
- Introduction to Database Systems and Advanced Database Systems
- Software Design
- Software Quality Engineering
- Introduction to Data Communications and Networks
- Operating Systems Concepts
- Introduction to Information Technology
- Distributed Computer Systems
- Object-Oriented Programming
- Web Design & Development
- Full Stack Web Development
- Discrete Mathematics

LANGUAGES

- English
- Mambwe
- Bemba

WORK EXPERIENCE

Zambi University Colleg of Technology (ZUCT)

✦ **Software Engineer** **2021 – 2024**

- Participated in Final year projects in both web and mobile development and gained graphics designs
- Participated in Networking hands on During the institution Computer lab infrastructure innovation under Cable laying.
- Participated in mini-projects labs from my software engineering courses

ZambeziOmnisports

✦ **Technical support , Lead Graphics Designer** **2022 – 2024**

- Working with the Broadcast multi media and technical team.
- Manage graphics design, creation of visual presentation.
- Provide Technical supports during production.

Imangatech Innovations LTD

✦ **Software Web Developer and Finance** **2022 – 2024**

- Graphics Designer
- Finance Administrator
- Software Development

SIKA Diagonstics **2023 - Date**

✦ **Graphics Designer**

- Graphics designs

iZyane InovSolution **2025 - Date**

✦ **Software Developer**

- Software Development
